Nature is the Great Physician.—This is now admitted by the medical profession as a fundamental principle of healing science. It is wisely provided by the human economy that whenever anything is wrong in the physical system the natural forces of the body are brought to bear to expel the disease. The great aim, therefore, is to strengthen the natural powers. This has been kept in view by the skillful compounders of HOSTETTER'S STOMACH BITTERS, which operates to give fresh vitality to all the organs of the body. The effect of this medicine upon the stomach, the liver and the kidneys, is prompt and decisive. The patient, who is wise enough to quit drugging and try the BITTERS, soon feels as if he had taken a new lease of life, and as he continues the use of the article, he is overjoyed to find the streams of health coursing through his frame. It is prepared with great care, and its component parts are entirely vegetable. It is free from the objections so often urged against preparations of the kind. As a MEDICAL AGENT it has no equal, while its pleasing flavor and healthful effects have made it a general favorite. It is free from all properties calculated to impair the system, and its operations are at once mild, soothing and efficient. All who have used HOSTETTER'S STOMACH BITTERS attest its virtues and commend it to their friends.  
Even those who are in the enjoyment of perfect health frequently have need to have recourse to tonics as preventives of disease. We are never too well armed against the assaults of "the ill that flesh is heir to." In health or sickness this tonic cannot be taken regularly without giving vitality and elasticity to the system.

AYER'S SARSAPARILLA,  
FOR PURIFYING THE BLOOD.  
THE reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous; inveterate cases of Scrofulous Disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. As it seems to breed infection throughout the body and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this SARSAPARILLA is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and at length cure by the use of this SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears and other eruptions or visible forms of Scrofulous disease. Also, in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia and the various Ulcerous affections of the muscular and nervous system.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Ulcerine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions in each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Constipation or Inflammation of the Liver and Joints, when arising, as they often do, from the impurity of the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Constipation or Inflammation of the Liver and Joints, when arising, as they often do, from the impurity of the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system.
